

Better Breathers Club Facilitator Resource Center

Facilitators like you are the foundation of the Better Breathers Club program. That's why we created this resource center. It's your source for tools to help your clubs run smoothly and effectively.

Access to this site gives you:

- The Facilitator Guide and meeting form (agenda, evaluation, and more!)
- Free marketing and member recruitment materials
- Facilitator and member webinars
- Ways to become involved with your local American Lung Association

How to access the Better Breathers Club Facilitator Resource Center:

Log on to: [Better Breathers Club Facilitator Resource Center](#)

*** there is no longer a required username and password to access the resource center.*

If you have any questions, please contact your local American Lung Association staff contact. Please email BetterBreathersClub@lung.org for any additional questions.
